Bieniarz	John	twelfthnhvband@hotmail.com	703-585-0709	I'm researching the regimental band of the 5th New York Heavy Artillery, which was "stationed in the forts surrounding Baltimore" during the Civil War. The one fort they were NOT apparently in was Ft. McHenry. Any info from the New York Military History Museum states "forts around Baltimore" but not WHICH forts the 5th New York Heavy might have been in. Any one have information they could share?

DOBSON	Darren	djdob1@student.monash.edu.au	0402579076	Hello my name is Darren Dobson. I am an Australian postgraduate student and I am currently doing research into the Baltimore Riots of 19 April 1861. At the moment I am trying to discover who the key political players were both within the secessionist and unionist movements leading up to the arrival of the Massachusetts Sixth Regiment and if the riot which occurred was the result of a conspiracy or was a spontaneous uprising of the Baltimore citizenry? If anyone has any information or can point me in the right direction towards various sources (as I am in Australia and some materials are not available) it would be a great

				help. I can be contacted via email at djdob1@student.monash.edu.au . Thank you.
